PUREEASE PROFESSIONAL

No-Rinse Shampoo & Conditioning Cap for Care Homes

A simple, water-free way to cleanse and condition hair when conventional washing is difficult.

How it works

- **Place** the cap securely over the resident's hair.
- **Massage** thoroughly for 2–3 minutes so the product works through the hair.
- **Remove** the cap and towel dry. No rinsing required.

Microwavable for added comfort — always follow the directions on the individual pack.
